

Edinburgh International 2022 (EIS 2022)

Hi all,

As we all know, Ava Jones represented Ireland at the Edinburgh International Meet. She was part of a 45 strong team who attended the 3-day event and Ava competed in 7 events over the 3 days. The feedback from the team manager has been very positive in how the whole team conducted themselves and performed.

Ava achieved personal bests in a number of events, which was a huge achievement especially since she had only achieved Personal Best Times at the previous National Meet (Mc Cullagh). Ava also made the final of the Women's Open 50m Breaststroke in which she was the only 13 year old swimmer. To make a final at a major International Meet at 13 years of age is a massive achievement which cannot be overlooked.

On behalf of the club we would like to congratulate Ava not only for her outstanding achievements to date but also for her exemplary mindset and determination

She has represented herself, Portmarnock and her country in a very positive manner and we are sure this will be the first of many.

Anne & Paul
